

reflection

***You are a gift! A gift from God!
Everyone you know is also a gift – a gift from God!***

Take a few minutes to reflect about who are the people in your life that are a gift to you. Write some thoughts about how you are a gift to others. If we understand that each person is a gift, how does it change the way we treat them?

You might like to write a prayer to thank God for the gift of being a gift.
